Take the A82 from Inverness towards Fort Augustus, driving past Drumnadrochit to Alltsigh and turn right where the Great Glen Way is signposted. Find a suitable place to park and continue by foot along the Great Glen Way heading north. After approximately 150m, when reaching a junction, turn left and follow the path as it ascends the hill. After approximately 100m, when reaching the upper section of the Great Glen Way, turn left and follow this path south for approximately 600m until you reach an area of felled forestry. The visualisation location is on the left side of the road.
